About me:

- I enjoy designing and proposing different concepts and new ideas.
- I like to be part of a team and exchange information to improve the workflow.
- I am interested in technical and structural information for a building.
- I believe a project is the final product and teamwork is a way to get there.
- The satisfaction of the final user should be an architect's aim.

Interest and activities:

- Sports (Yoga, Soo Bahk Do, Cycling)
- Photography
- Independent travels
- Music (learning to play bass)
- Reading
- Cooking
